

**INSTRUCTIONS
FOR THE
INTEGRATED OCEAN DRILLING PROGRAM (IODP)
MANUSCRIPT AND PHOTOGRAPH COPYRIGHT ASSIGNMENT AGREEMENT**

This form must be filled out on paper and mailed to: Publications Coordinator,
Integrated Ocean Drilling Program, 1000 Discovery Drive, College Station, Texas 77845, USA

A signed copyright assignment agreement shall be required from each Author(s) prior to incorporating any manuscript(s), which may contain photographs and/or a set of photographs as described below, in the *Proceedings of the Integrated Ocean Drilling Program* or any other publications of the Integrated Ocean Drilling Program. Author(s) shall be required to provide a complete and signed copyright assignment agreement in accordance with the attached format. This copyright assignment shall be required prior to incorporating any type of material, which may not be in the public domain, into any Integrated Ocean Drilling Program Contractor(s) or Subcontractor(s), IODP computerized databases, IODP expedition publication(s), press releases, or any other publication formats.

If author(s) research results, data, photograph(s) or any other type of copyrightable material are legally in the public domain, or can be considered to be in the public domain, a written statement signed by the author(s) to that effect shall be provided prior to incorporating the copyrightable material into the *Proceedings of the Integrated Ocean Drilling Program* or other IODP publications. If applicable, please include in the statement any relevant funding agency information, such as a grant or contract number(s).

Each author(s) shall execute an individual assignment agreement for each submission they are making (e.g., a manuscript, which may contain a photograph or a set of photographs is considered one submission), and send the signed assignment agreement with the relevant manuscript and/or photograph(s) to the Texas A&M University (TAMU) Publications Coordinator, who will edit and produce the publication(s) for IODP Management International, Inc. (Publisher).

Attached is the required Copyright Assignment Agreement. We request that you either type or neatly print all information to ensure legibility. You should keep a copy for your records. You will be notified by TAMU Publication's Coordinator if your manuscript and/or photographs were accepted for publication.

INTEGRATED OCEAN DRILLING PROGRAM (IODP)
MANUSCRIPT AND PHOTOGRAPH COPYRIGHT ASSIGNMENT AGREEMENT

This form must be filled out on paper and mailed to: Publications Coordinator,
Integrated Ocean Drilling Program, 1000 Discovery Drive, College Station, Texas 77845, USA

This Agreement is made and entered into this ___ day of _____, 2____. Itemize by title, description or other information that will identify the manuscript(s) or photographs submitted. Attach additional pages if there is not enough room in these spaces. All additional pages shall be initialed by the author(s) and are hereby incorporated and made a part of this copyright Assignment Agreement.

The above itemized document(s), hereinafter referred to as "Submission", has been submitted to the TAMU Publications Coordinator for incorporation in the *Proceedings of the Integrated Ocean Drilling Program*, or any other IODP publication or IODP database. The Author(s) represents and warrants the Submission: (1) is original to the Author(s); (2) does not infringe any copyright or other intellectual property right of any third person; (3) contains no material from another copyrighted work and; (4) the Author(s) has the right and/or authority to grant the rights herein conveyed as to such copyrighted work(s). The Author(s) transfers and assigns to the Integrated Ocean Drilling Program Management International, Inc. ("IODP-MI") all of Author's right, title and interest to the Submission, including all copyrights and other intellectual property in all languages and media. Author(s) also agrees to execute and deliver to IODP-MI from time to time upon request, all documents necessary or advisable to transfer to IODP-MI all rights and title to the Submission and other property. IODP-MI hereby grants back to the Author(s) the non-exclusive, world-wide, royalty-free right to record, edit, copy, reproduce, publish, distribute and use any or all parts of the Submission for any purpose in any media now existing or hereafter developed, either individually or as a part of a collective work, or to make any revision of the Submission or a previous publication of such Submission.

The term of this Agreement shall continue for the maximum period permitted under Title 17 United States Code, Section 302.

The Author(s) acknowledge that he/she/they will receive no remuneration beyond the Stipend paid, if any, for IODP participation or for the rights assigned hereunder and acknowledges receipt and understanding of and agrees to abide by any other requirements stated in the document entitled, "Instructions for the Integrated Ocean Drilling Program (IODP) Manuscript and Photograph Copyright Assignment Agreement."
