

IODP Data Report Submission Checklist

Before submitting your manuscript, check the following:

- IODP Copyright License Agreement form has been submitted.
- Abstract includes “International Ocean Discovery Program (IODP).”
- Acknowledgments includes “Samples and/or data were provided by IODP” and “Funding was provided by _____.”
- Tables and figures are called out from text in numerical order.
- Spelling and grammar have been checked.
- Acronyms are defined on first use.
- All references cited in text, tables, figures, and appendixes are included on the reference list.
- Affiliations are included for all co-authors in the cover letter.
- Keywords are provided in the cover letter.
- Copyright permission is provided for any previously published figures or content.
- At final submission, figures are provided as high-resolution versions in native applications.
