HOTEL ACCOMMODATIONS AND ITINERARY INFORMATION

IODP negotiates for group rates with hotels in the port cities. If you wish for IODP to make hotel reservations on your behalf at the IODP-selected hotels, **please complete the “Flight Information and Request for Hotel Reservations” form. This form must be returned by the date indicated (20 October) or it may not be possible to obtain a reservation for you.** To avoid misunderstandings, **IODP does not make hotel reservations for participants unless specifically requested on the travel form.** If provided by the hotel, confirmation numbers will be sent to you electronically. By requesting the IODP Travel Office to make hotel reservations you are agreeing that IODP’s hotel selection, location, and rates are acceptable to you. IODP reserves the right to make or change hotel arrangements as deemed essential to official requirements, without prior notification to cruise participants. If any of these conditions are not compatible with your needs, we recommend that you make hotel reservations through your travel agent. All hotel information that is available at this time is included on the IODP Reconnaissance form. If it is not listed, it will be provided as soon as it becomes available.

IMPORTANT: If you request IODP to arrange your hotel accommodations, please be aware your reservations will be guaranteed with the credit card number you provide. If your travel plans change after you have requested the reservations, it will be your responsibility to notify either the IODP Travel Office or the hotel directly to change/cancel the reservations. Please refer to the IODP Reconnaissance form.

- 1) **Reconnaissance Sheet.** This provides essential logistical information regarding your participation in the cruise (the ship’s schedule, your expected arrival dates in port, port agent’s name, address and hotel information). We suggest a copy of this be carried with you to the port city should you need the port agent’s name and telephone number in providing directions to the ship’s exact docking location. Please note, unless advised in advance, transportation from the airport to the hotel is the traveler’s responsibility.
