RECONNAISSANCE INFORMATION

The IODP Reconnaissance sheet is attached separately. This provides essential logistical information regarding your participation in the cruise (the ship's schedule, your expected arrival dates in port, port agent's name, and address). We suggest a copy of this be carried with you to the port city should you need the port agent's name and telephone number for directions to the ship's exact docking location. Please note, unless advised in advance, transportation from the airport to the hotel is the traveler's responsibility.

VISA INFORMATION

Check with your local consulate or embassy for visa requirements. If your nationality requires a visa to enter Chile, the standard rule is to apply at least 20 days before your trip. However, we strongly recommend that you apply for a Chilean visa as soon as your flights are scheduled.

U.S. Visa Holders - Non-U.S. participants who hold U.S. visas, such as an H1B, J1, or TN, and who plan to return to the U.S., should ensure that their visas do not expire during the cruise. ***IODP will not be liable for any costs incurred to participants as a result of inadequate or expired visas.***
